premium
showers and robes

Premium is a well-established company with a proud history of designing and manufacturing shower screens and wardrobes.

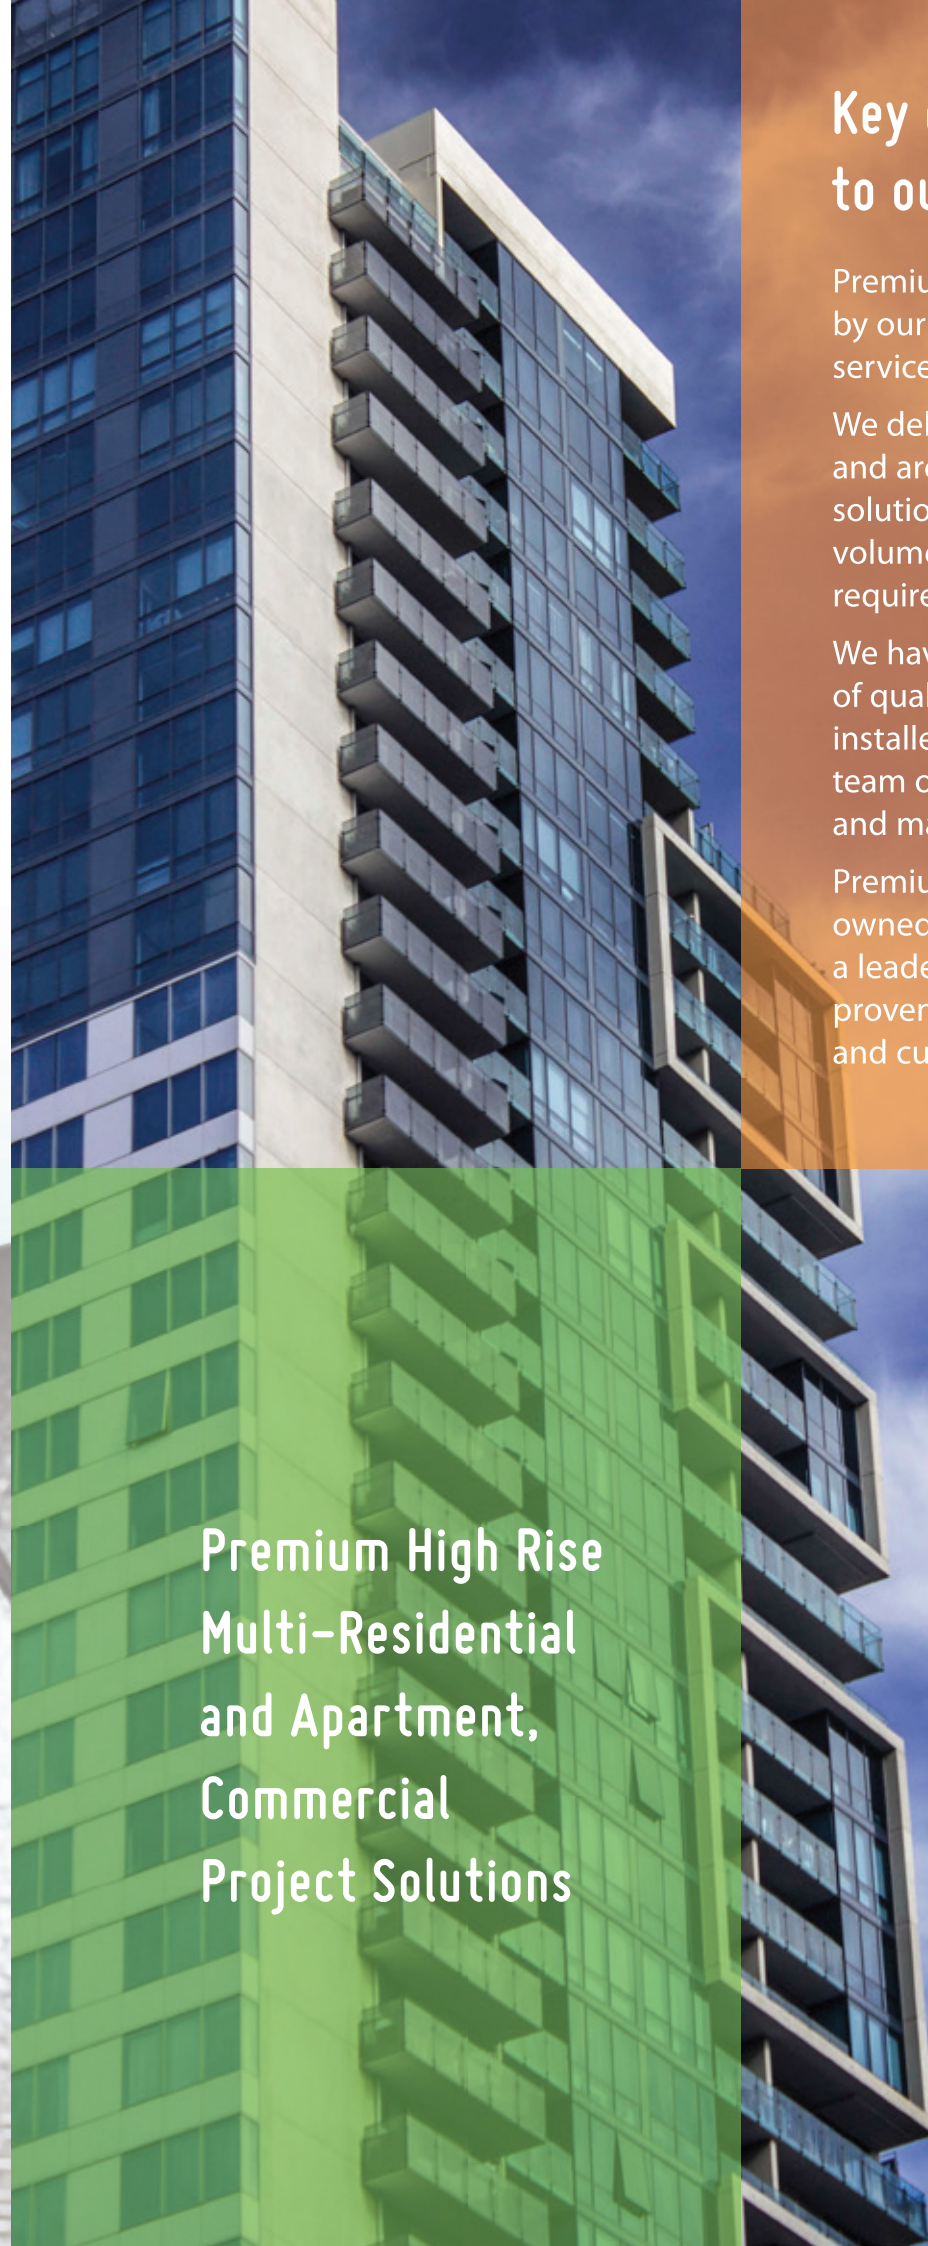

Not only do we design, manufacture and install the most comprehensive on trend range of shower screens and wardrobes available in Australia we also design and manufacture glass splash backs, mirrors and custom designed bespoke furniture.

Premium employ over 200 dedicated design, manufacturing and customer service professionals all working together to ensure we deliver high quality, innovative and durable products that surpass all of our customer requirements.

Premium work collaboratively with Commercial Builders, Project Managers, Architects and Interior Designers to provide premium quality, innovative, stylish cost effective solutions for High Rise Multi-residential and Apartment complex projects.

Premium are proud to have been preferred suppliers for many of Melbourne's iconic High Rise Multi-residential and Apartment commercial projects.

Premium's state-of-the-art manufacturing complex spans over 35,000 square metres. Many of the technologies and procedures we use to build our shower screens, wardrobes are exclusive to Premium. We design and manufacture over 500,000 products every year, each product meets our stringent quality control processes and demanding build and performance premium quality standards.

Premium High Rise Multi-Residential and Apartment, Commercial Project Solutions

Key elements to our success

Premium quality products backed by our premium level of customer service and after sales support.

We deliver on promises made and are always ready with a solution in support of your high volume product and installation requirements.

We have the infrastructure, network of quality reliable suppliers, installers and our own qualified team of dedicated skilled design and manufacturing project experts.

Premium is a proudly Australian owned and operated company with a leadership team of over 90 years proven industry experience and customer support.

Collaborative Partnership

Premium's team of qualified project managers work collaboratively with our commercial property developer, architect and builder clients from the early stages of planning and costing their projects, ensuring nothing is left to chance and they have a clear understanding of our capabilities, what can be achieved and at what cost. It's all part of the Premium customer service experience.

Never Satisfied

Not satisfied with simply offering durable, quality products, Premium also ensures our designs are beautiful and up-to-date so they best compliment your architectural and decor objectives. You're guaranteed a look and quality product that will continue to impress and perform for years to come.

Working together there is no project too big or complex to conceive and implement a viable commercial profitable outcome.

Planning ahead is planning for success

To ensure your commercial projects meet delivery deadlines, budget and expectations it's important to plan ahead, getting us involved in the early stages of the planning and costing process will ensure you have a clear understanding of what can be achieved on a defined budget to maximise the impact and viability of your project.

Australian Building Standards

Premium wardrobes, shower screens, glass splash backs, mirrors and other associated products are manufactured to comply and surpass Australian Building Standards.

Proudly Australian

Premium are a proudly Australian owned and operated company. Premium employ over 250 people directly and in-directly.

Wherever and whenever we can we will always put Australian manufacturers and suppliers first in-line for our business.

Environment Care

Premium are aware of our ongoing environment responsibilities, not only globally but to our personnel's safe work environment and sustained future for generations of Australians to come. Premium have a state of the art factory air purification and filtration system that ensures dust, fumes and potential environmental pollutants are captured and disposed of in accordance with Local Council and Australian Industry Regulations, ensuring a safe, clean, pleasant working environment for our staff and a healthier planet. Waste and offcut metals/substrates are recycled in accordance with Australian Industry Standards.

Trusted Industry Partners

The Premium Production Team are a vital and integral part of what makes Premium the business it is today. Without their continued support and tireless dedication to their crafts we would not be here today.

There are so many valued employees that work for Premium and the Premium Management Team regard them all highly, together we are a formidable team that can do amazing things for our customers.

Time and time again we have proved ourselves to be a trusted industry partner. Whether it's a shower screen, walk-in wardrobe or in-built system, glass splash-back, mirror or custom-built-to-order furniture, our team of experienced dedicated product developers, designers, manufacturing and installation experts will ensure our clients get the best cost-effective outcomes for their projects.
